# Malibù

45x45 18"x18"

Una presenza classica nelle ceramiche da interno: superfici lisce e smaltate ad effetto "bagnato" che arredano con riflessi luminosi gli ambienti interni. La serie, con grafica digitale, riproduce una morbida pietra venata, proposta nel formato quadrato, in due colori.

A classic, interior ceramic surface: smooth glazed surfaces with a "wet" look to decorate interiors with reflected light. The series is made using digital graphics to reproduce a soft veined stone, available in a square shape, in 2 colours.
