La soluzione in grès porcellanato smaltato, con tecnologia digitale HD, che riprende l'effetto del parquet artigianale, riproponendone tutte le fiammature, le venature rigate e anche l'inconfondibile presenza dei nodi.

La serie si sviluppa su cinque colori nei toni caldi e freddi.

The glazed porcelain stoneware uses HD digital technology, incorporating the looks of the best parquet, including flamed effects, grain and even the unmistakable presence of knots. The series is available in five, warm and cold colours.
