

Rock

31x31 12"x12" 33,3x33,3 13"x13" 31x62 12"x24"

Una serie perfettamente impiegabile in ogni contesto abitativo da interno grazie alla superficie smaltata liscia.

La superficie riproduce le sfumature a bassa stonizzazione del cemento lisciato, sviluppate in una gamma a tre colori e due formati, che copre tutte le tonalità, dal chiaro allo scuro.

A series that is a perfect solution for any style of home interior thanks to its smooth glazed surface. The surface reproduces the gently shaded colours of smoothened concrete, available in a range of 3 colours and two sizes, including light and dark shades.
