

MURETTI

Stone

31x62 12"x24"

Un materiale ceramico progettato per l'esterno, con ottime caratteristiche di resistenza all'abrasione e alla scivolosità. La superficie, realizzata con precisione in tecnologia digitale, interpreta in due varianti di colore, le fiammature cromatiche della pietra calcarea tedesca.

A ceramic material designed to be fitted out of doors, offering excellent resistance to abrasion and non-slip properties. The surface is precision-made using digital technology, interpreting the flames of colour of calcareous stone from Germany in two colour versions.
